The parties to the above-captioned matter jointly file this Stipulation and Proposed Order asking the Court to reset the restitution hearing presently set for August 15, 2022, be reset for September 12, 2022. As grounds for this request, the parties state the following:

1. On July 13, 2021, the government filed a superseding indictment in the above-captioned case. Dkt. 182.

1           2.       On December 20, 2021 and on February 14, 2022, defendants Christopher Pool, Susan  
2 Arreola-Martin, and Leif Skorochoch pleaded guilty pursuant to plea agreements. Dkt. 267, 292, 293.

3           3.       On May 23, 2022, the Court sentenced Susan Arreola-Martin and Christopher Pool to 84  
4 months' and 15 months' imprisonment, respectively. Dkt. 323, 324. During the sentencing hearings,  
5 the Court indicated that it would make a restitution order in this case requiring the defendant to pay  
6 restitution to the victims. The Judgment and Commitment orders entered on June 13, 2022, confirmed  
7 that restitution in this case "was to be determined." Dkt. 329, 332.

8           4.       On June 13, 2022, the Court sentenced Leif Skorochoch to 14.5 months' imprisonment.  
9 Dkt. 333. During the sentencing hearings, the Court indicated that it would make a restitution order in  
10 this case requiring the defendant to pay restitution to the victims. The Judgment and Commitment  
11 orders entered on June 29, 2022, confirmed that restitution in this case "was to be determined." Dkt.  
12 335.

13           5.       At the sentencing hearings for these defendants, the United States represented that it  
14 intended to seek stipulations regarding the restitution orders. In the meantime, the Court set a date for a  
15 restitution hearing of August 15, 2022, should the parties failed to reach agreement.

16           6.       Since the sentencing hearings, the United States has been diligently seeking information  
17 from the victims in this case regarding the proper payees for the restitution orders. To date, however,  
18 although it has identified the payees and restitution amounts for most of the fraudulent loans, there are  
19 two payees yet to produce documents to support the restitution amounts. The United States anticipates  
20 receiving those materials within the next two weeks, but not in time to complete the stipulations in  
21 advance of the August 15, 2022, hearing date.

22           7.       The parties have conferred, and counsel for the United States and counsel for the  
23 defendants, have agreed to continue the restitution hearing until September 12, 2022, so that the parties  
24 may continue to seek to agree to and stipulate to the restitution amounts to be included in the amended  
25 Judgement and Commitment Orders.

26           8.       The parties also agree and stipulate that, under *United States v. Dolan*, 560 U.S. 605  
27 (2010), this Court is not prohibited from entering a restitution order after the 90-day period set forth in  
28

1 18 U.S.C. § 3664(d)(5) because it made clear at the hearing on May 23, 2022, that it would order  
2 restitution in this case, leaving open only the amount of restitution to be ordered.

3 The undersigned Assistant United States Attorneys certify that they have obtained approval from  
4 counsel for the defendants to file this stipulation and proposed order.

5 IT IS SO STIPULATED.
